

SOLUTION PROVIDER MRC MEMBERSHIP HIGHLIGHTS REGIONAL ELITE – APAC/LATAM MEMBERS ONLY

“

When I need to find a data source, I go to the MRC. The content is so powerful, it's so neutral, and so detailed. I get a lot of statistical data from the MRC, and this has helped me empower my knowledge about the industry so that I can propagate that same message to my audience and educate them as well. It's been a fabulous experience being part of the MRC.

THE POWER OF MRC MEMBERSHIP

When you join the MRC, you open the door to a dynamic community of professionals who are shaping the future of payments and fraud prevention and working toward safe and profitable eCommerce. The power of MRC membership lies in staying connected, current, and empowered to influence and transform the industry.

Our thriving community welcomes merchants, solution providers, issuers, law enforcement, card brands, and ancillary companies who all work together to fight fraud and drive progress in the payments industry.

EXPAND YOUR NETWORK

The MRC fosters an environment for open conversation, collaboration, information sharing, learning, and networking. Connect with your peers to reimagine the fraud and payments landscape.

MAKE YOUR VOICE HEARD

Advocacy is immensely important to MRC members as the payments industry becomes more regulated than ever before. We are guided by our mission to advocate for our members' interests on a global scale, empower you to be informed, compliant, competitive, and make your voice heard where it counts.

INVEST IN PROFESSIONAL DEVELOPMENT

Manage your professional development in ways that closely align with your career goals and objectives and make a positive impact on your career.

ENHANCE YOUR KNOWLEDGE

MRC members have access to a content-rich resource library and a myriad of educational tools — from online courses, webinars, presentations, case studies, white papers, weekly newsletters, industry analyses, and reports, to best practices and knowledge sharing through discussion boards and community calls.
